This week's Spokane Valley City Council meeting began with an invocation, the pledge of allegiance and approval of the following meeting agenda.

SPECIAL PRESENTATIONS

Mayor Padden and Councilmembers presented to May 2026 You Rock! Community Recognition Award to Rae Anna Victor and the Spokane Valley chapters of the Daughters of the American Revolution (DAR) and Sons of the American Revolution (SAR).

Mayor Padden, Councilmembers and Spokane Valley Police (SVPD) Chief Dave Ellis recognized SVPD Officer Catherine "Cat" Horton as the Greater Spokane Valley Chamber of Commerce and Lilac Festival recipient of the Spokane Valley Police Department Officer of the Year.

General Public Comments

Each week, community members have an opportunity to address Councilmembers for up to three minutes during the General Public Comment period, either at the beginning or end of each meeting, either in person or via Zoom.

ACTION ITEMS

#1 – Ordinance 26-007: 2026 Budget Amendment

This topic was previously discussed at the May 5, 2026, and May 12, 2026, Council meetings. The 2026 Budget was adopted by the Council on Dec. 9, 2025, and since that time, a number of events have occurred leading to the need for a budget amendment. Staff summarized the changes to the nine funds affected by the proposed amendment and provided additional explanations/modifications since the last presentation, as requested by the Council. The end result is a total revenue increase of $5,098,800 and total expenditure increase of $6,852,122. Of these increases, $1,950,000 reflects transfers between city funds.

A motion to approve Ordinance #26-007 amending the 2026 Budget passed with 6 votes in favor and 1 vote against.

NON-ACTION ITEMS

#2 – Spokane County Conservation District Update

Vicki Carter, Director of the Spokane County Conservation District, and Kohl LeRoy, Government Affairs Coordinator, provided a background of their organization and summarized their services, programs and funding. The District is discussing potential changes to their funding this year. A public hearing on the proposed district funding will be held on June 16, 2026, at 2:00 pm at the Spokane Conservation District office, located at 4422 E 8th Ave, Spokane Valley, WA. Members of the public are invited to attend and provide comments.

#3 – School Zone Speed Limit Revisions

The City periodically reviews school zone locations for compliance with state codes. Staff have identified a series of locations requiring modification. Staff provided details on:

- Locations not associated with a school, which should be removed
- Locations recommended for adjustments
- Proposed new locations

The Council reached consensus to bring forward a resolution to modify the Master Speed Limit Schedule at a future meeting.

#4 – Pavement Management Program: Surface Treatment Pilot Projects Review

As a pilot program, the City applied surface treatments to two neighborhoods on local access streets in 2023 and 2024. Staff reported on the treatment results and discussed additional locations scheduled for 2026.

#5 – World Cup Operations Update

OPERATION DOG TAG

OperationDogTag.org

I am Josh Howdyshell, I served with the United States Air Force/Iraq and am a wounded warrior. I am writing this letter because I have seen first hand what Operation Dog Tag can and has done for combat veterans. I have had the honor of being there at a couple of Joe Scheffer's training sessions where some veterans had the opportunity with their new best friends and Battle Buddies to begin their service dog training program. It was amazing to see how well the veterans and dogs worked together and share a bond that man and dog teams must have to be successful.

I am currently awaiting the return of my caregiver, Amber, before I personally begin my own program with Operation Dog Tag, in which I also will receive my own service dog. I am looking forward to this wonderful journey that my best friend and I will take together. I personally wish to thank Joe Scheffer of Operation Dog Tag for allowing me to be a part of these milestones in our Veterans' lives.

Sincerely, Josh Howdyshell,
US Air Force/Iraq

WEEKLY Horoscopes
for May 21-27

ARIES – Mar 21/Apr 20
Slow down to smell the roses, Aries. You've been running at full speed, and your body is asking for a break. A low-key evening at home will recharge your batteries for a big weekend.

TAURUS – Apr 21/May 21
Creativity hits you in an unexpected place, Taurus. It might even come while you're doing chores. Explore a new idea thoroughly, as it might be the creative spark you've been looking for.

GEMINI – May 22/Jun 21
A misunderstanding is cleared up by a simple phone call, Gemini. Don't let a text message stew in your mind. Direct communication is the only way to keep your peace of mind this week.

CANCER – Jun 22/Jul 22
Focus on your workspace, Cancer. A little reorganization and some new decor will shift the energy and help you focus. You'll be surprised how much your environment affects your output.

LEO – Jul 23/Aug 23
Your generosity is noted, Leo. Helping a colleague or friend with a thankless task will earn you major karma points. Expect a small, pleasant surprise to come back to you.

VIRGO – Aug 24/Sept 22
Virgo, steer clear of over-analyzing a recent social interaction. You did fine, and people enjoyed your company. Focus on the future instead of replaying the past on a loop.

LIBRA – Sept 23/Oct 23
A financial risk might be tempting, but the stars suggest sticking to the plan for now, Libra. Focus on "slow and steady" gains rather than "get rich quick" schemes this week.

SCORPIO – Oct 24/Nov 22
You're feeling extra protective of your time, Scorpio, and that's okay. Saying "no" to an invitation isn't a rejection of the person; it's an investment in your own mental health.

SAGITTARIUS – Nov 23/Dec 21
Laughter is your best medicine this week, Sagittarius. Seek a person who always makes you giggle. A lighthearted approach to a serious problem will reveal the simplest solution.

CAPRICORN – Dec 22/Jan 20
Your reputation is preceding you in a good way, Capricorn. Someone in a position of power has their eye on your work. Keep your standards high; the payoff is closer than you think.

AQUARIUS – Jan 21/Feb 18
Aquarius, an old hobby is calling your name. Dust off those tools or that camera. Reconnecting with a past passion will give you the emotional boost you've been looking for.

PISCES – Feb 19/Mar 20
Trust the timing of your life, Pisces. Something you wanted didn't work out, but that's because something better is currently in the works. Keep your heart open and your head up.

Fishing Magician

Dave Longhire

Reach Dave @ www.FishingMagician.com or FishBoy@nwi.net "The Outdoor Insider"

If you are like me you have had to cancel some fishing plans due to weather. Even though it was going to be rough, I went out on Moses Lake last week. I have some trips planned for next week and I am going rain or shine! It's time to catch some fish! I hope everything works out for those who have a big Memorial weekend planned.

The forecast was for a cold and windy day last Friday, but my buddy James Lebow agreed to take Tom Verschuren and me out for a morning of walleye fishing. We launched at Peninsula Park and ran up to an area below I-90 that is one of James' favorites. I was with him last year when we boated a very good catch of walleye here. However, all we could catch on this day was smallmouth bass. We left this area and trolled down lake in the direction of Montlake Park, to another spot that has been productive in the past. Once again, the walleye eluded us and we caught smallmouth bass, catfish and one large perch. We reeled in several times to find our worms bitten off just below the hook. I had insisted that we bring bass tackle along, and since we were near Gailey Island James navigated close to shore with the bow mount. This wasn't easy with the wind, but we all landed nice smallmouth bass casting Brush Hogs and Zoom lizards. The watermelon with red flake always works for me. If I fish Moses Lake, Potholes or Banks right now, I will take my bass gear along. This week's photo is of Tom Verschuren and his biggest smallmouth bass.

The work to restore the Blackbird Island Juvenile Fishing Pond is continuing, with a major effort to clear debris last weekend, and Stein in Leavenworth will be hosting a silent auction on Wednesday, the 27th, from 5:00–7:00 PM. They are currently gathering donations from local businesses, guides, and community partners to help make the event a success. They will be reaching out to organizations and individuals directly, and I would appreciate it if everyone could also put their feelers out for anyone who may be interested in contributing to the cause. Whether it's donated gear, gift certificates, services, experiences, or other auction items, every contribution helps. Please feel free to share my contact information with anyone who might be willing to support the event. Big shout out to Icicle Brewing for donating a keg! Beyond fundraising, this also feels like a great opportunity for this awesome group to connect in person, put faces to names, strengthen existing relationships, and build new ones within our outdoor community. Hopefully, it can serve as the start of lasting partnerships and collaborations that continue to benefit all of us who deeply enjoy the outdoors in our region. Call Chris Giles, Stein Beer Hall, 509-705-8207 to help out.

A few years ago, I got the chance to fish Lake Coeur d' Alene. My wife and I had visited the town several times, but I had never been out on the water. My brother in law had arranged for a house on the lake with a dock, so I pulled my boat over for our time there. After getting settled in, we had time to jump in the boat before it got too dark, and I got everything rigged up for kokanee fishing. I didn't even know where to start on the big lake, but when we pulled out of the bay we were staying in I saw a fleet of boats. I put out my tried and true Kokabow blades and spinners and we were into fish in no time. We had a blast landing big kokanee until it was time to head in for dinner. We went back the next year, and the kokanee were small, so we didn't spend much time fishing for them. I plan to get back to Coeur d' Alene and several other lakes in the area this summer. You should check out my Facebook page and follow me, as I start posting what I learn about Idaho fishing.

There's good news for fans of fishing for spring salmon. Adjustments have been made to the season on the mainstem Columbia River and on the Snake. According to the WDFW this extends spring Chinook seasons in the mainstem Columbia River from Rocky Point/Tongue Point upstream to Bonneville Dam (six retention days) and from Bonneville Dam upstream to the Washington/Oregon border (five retention days). Also, an update was provided to the 2026 Columbia River return of upriver spring Chinook salmon. While the update is slightly below the preseason forecast, the removal of the 30% buffer increased the quota for the Snake River fishery. The new quota will allow for opportunity at Little Goose through May 19 and two days of fishing below Ice Harbor dam. Another spring salmon season to keep an eye on is the one for the Icicle River at Leavenworth. Although most of the springers turn up the Snake after passing over McNary, many are moving upstream and anglers are watching the dam counts closely with hope for an announcement that would open the Icicle.

If you use the Vernita Access Area in Grant County, please know that WDFW is doing work to improve the gravel access road to the day use area nearest to the Vernita Bridge road from May 11 - 15. Both boat launches are still available for use, but please slow down and give workers room to do their job. If you're planning for fall salmon fishing on the Columbia River, please remember Vernita is now a day-use only site. Overnight camping is no longer allowed. WDFW is also working on plans for future improvements including a developed boat launch, designated parking area, and restroom.

I want to remind everyone that there is a new "Mission" in the Rufus Woods Roundup fishing contest. The longest fish entered through May 26th will win a $50 gift certificate. Also, the Mission is to show what bait or lure you caught your submitted fish with. The winner will be randomly selected, and the more lure and bait submissions you enter the better your chances to win. You can learn more about the Rufus Woods Roundup by going to: www.anglerat-las.com/event/902.

REAL ESTATE *Trends & Advice*

"From Spokane to the Canadian Border"

NO TRESPASSING

Owning property in this country is one of our basic rights and should not be taken for granted. In this country, any person who is of legal age can own land. As part of that ownership, the landowner can reasonably expect that no one may enter the property without permission.

Criminal trespass in the first degree is legally described as a gross misdemeanor, which involves knowingly entering the property of another without first gaining permission. Trespassing while hunting is also punishable as a game violation, which could result in the loss of one's hunting privileges for up to two years. In Washington State, property is not required to be posted or delineated by landmarks such as fences.

When a home or property is for sale, we often see people trespassing. Brokers frequently post sign riders on "For Sale" signs that specify "Showing By Appointment Only." While that posting designates specific access limitations, the lack of such signage does not indicate free-reign access. On properties without such signage, permission must still be granted before any access is legal.

Buyers, window shoppers, and curious neighbors should always be careful to avoid becoming trespassers on listed properties. Since the broker is an agent of the seller, they are able to grant permission for access based on the seller's contracted showing instructions. Therefore, a call to the listing or selling broker is always required before a viewing can occur, even when the property is vacant land. A "For Sale" sign is not permission to access a property.

Each year, when hunting season comes around, many careless hunters find their way onto private property without permission and seem to think that because "they've been hunting there for years," it is acceptable to trespass. It is also trespassing to access private property through railroad rights-of-way or electrical transmission line rights-of-way.

Another common form of trespassing occurs when someone crosses a property line and harvests timber, firewood, or even a Christmas tree from someone else's property. This is punishable by treble damages, meaning that the landowner can recover three times the value of the lost timber.

Remember to always get permission before accessing somebody else's property, even if it is listed for sale. The best practice, if you want to look at a property that is for sale, is to contact your real estate broker to schedule a showing or contact the listing broker to get permission before entering the property.

UNLIMITED HYDROS SET FOR TRI-CITY TESTING MAY 30, FOUR-RACE SCHEDULE LAUNCHES JULY 3-5 AT MADISON

Unlimited hydroplane fans can get a sneak peek at the fleet when boats travel to Tri Cities May 30 for the annual spring testing day. H1 Unlimited photo

KENNEWICK — With the season set to begin for the H 1 Unlimited hydroplanes, July 3-5 at Madison, Indiana and the Gold Cup, race teams will stage their annual "Spring Training" event on the Columbia River in Tri Cities, Saturday, May 30.

Tri-City hydroplane testing is the annual preseason event on the Columbia River where H1 Unlimited teams take to the water to test equipment. It serves as an official kickoff to the racing season and a preview for the summer's main races.

- Date: Saturday, May 30.
- Location: Columbia Park in Kennewick, Washington.
- Time: Boats typically hit the water starting at 9:00 a.m. (following morning driver meetings) and testing runs through the afternoon.
- What to Expect: Watch multiple classes of hydroplanes (including the H1 Unlimiteds) dial in their speeds and make off-season adjustments.
- Cost: It is generally free for the public to attend, though organizers may charge a small parking fee (usually around \(\$5\)) for general lots.

For exact schedule updates and parking details, visit waterfollies.com or check out www.h1unlimited.com. This testing directly paves the way for the Apollo Columbia Cup and the STCU Over-the-River Air Show, which are held later in the summer on July 24–26.

The complete race schedule and locations are as follows:

- May 30: Pre-Season Testing (Tri-Cities, WA)
- July 3–5: APBA Gold Cup (Madison, IN)
- July 24–26: Columbia Cup (Tri-Cities, WA)
- July 31–Aug 2: Apollo Mechanical Cup / Seafair (Seattle, WA)
- Sept 18–20: San Diego Bayfair (San Diego, CA)

The H1 series will invoke a variety of changes for 2026 racing events and they include:

- New Scoring Format: The league is abandoning draw-based heat lineups. Instead, they will implement Total Weekend Points, a cumulative format where Time Trials, preliminary heats, and the Final connect into one continuous bracket.
- Classic Course Return: The Madison Regatta is bringing back its historic 2.5-mile course layout following fan feedback demanding the longer stretch.
- Streaming Coverage: Fans can watch every qualifying session and heat race streamed live on the H1 Unlimited YouTube Channel.

NWSLM'S RAINED OUT AT STATELINE

POST FALLS — The second race of the 2026 season for the Northwest Super Late Model Racing Series was rained out May 16 at Stateline Speedway.

Negotiations are reportedly underway to reschedule the Western Rail 150 for a later date.

Next NMSLM race is June 12 & 13. The Kennedy Classic 150, Saratoga Speedway Black Creek, British Columbia on Vancouver Island.
